

AUCTION OF PROMISES

Saturday 21st October 2017

GREAT BRICKHILL PARISH HALL, 7.00pm

In aid of St Mary's Church, Great Brickhill

It is amazing that it is ten years since our last Auction of Promises – on that occasion the magnificent sum of £7000 was raised and it is hoped that this figure might be surpassed as the need for funds is as great now as it was then.

This is our major fundraising event of the year. Your support will help us to speed up the development planned for within the church. If anyone would like to receive details of the work that we are planning to do, then please get in touch with me.

We have been most fortunate that Charlie Ross, the local celebrity Auctioneer, who is a former resident of Great Brickhill, has again agreed to be our auctioneer. Those who have been to our previous Auctions of Promises will recall that Charlie made the evenings highly entertaining.

You are invited to pledge a promise whether or not you are able to attend the Auction. For those unfamiliar with charity auctions a list of suggestions for possible promises is attached. If you feel able to offer a promise please complete the Promises Form and return it to me by Saturday 14th October. If the promise is of an unusual nature it may be useful if you could give an approximate value of the item on the form.

You are warmly invited to attend the Auction - the evening will commence with a two-course supper. (You are asked to provide your own drink and glasses). The ticket cost is £10 each – please complete a Ticket Application Form giving your choice of menu and return it to me by Monday 16th October.

If you are unable to attend you can still take part in the Auction; advance bids will be received and given on your behalf at the Auction. Please complete the relevant section of the Ticket Application Form.

Receipt of the promises a week before the event will be much appreciated. A Catalogue of the Promises will be drawn up and circulated, via e-mail where possible, in advance of the event.
