

# *King James - a Royal Progress*

*Renaissance music for a summer Afternoon*

Come along to St Mary the Virgin Church to hear the sort of songs and music the villagers of Great Brickhill might have heard when King James1 was king. The Cryers, an early music group based in Woburn Sands, accompanied by local musicians, will entertain you with songs and with dances of the period. There'll even be an opportunity for you to join in a dance, if you wish.

**Sunday 8th July at 2.30 pm**

**Cream teas**

**Donations for St Mary's Church**
