"Seeing the Light" was painted by local artist Anne Marlow during the COVID19 Lockdown.

At the end of the second period of lockdown, we were encouraged to see 'a light at the end of the tunnel'.

The picture was a response to that thought.

The glass framed 30 X 30 cm (12 in) square painting is mounted in a 43 X 43 cm (17 sq) square white frame with a lilac insert.
