

"FEED THE HUNGRY" KNITTING NEWS:

Rosie has kindly passed on news of all the wonderful knitting that has been donated to the "Feed the Hungry" charity. Last year 179 articles of knitting were delivered, ranging from the baby vests to baby blankets, jumpers, and cardigans, all very gratefully received by the charity. But, they no longer have any projects that require clothing - they have thanked us profusely for the seven years of commitment that our parish has made.

However the "Link to Hope" charity would very much appreciate anything knitted for any age of person, hats, gloves, scarves, blankets of any size, children's jumpers..... although the baby vests would not be so appropriate. This charity supply warm clothes directly to the poor and needy in Eastern Europe but also to those in need in this country.

On behalf of the two charities, Rosie would like to thank everyone for their hard work and generosity in making a difference to the cold and poor of our continent. Over the last seven years Great Brickhill and Friends have produced 2765 garments for the Fish and Chip Babies...a truly wonderful record.

Many thanks to Rosie for all the work she has put into this initiative. She has patterns available for anyone who would like to continue knitting for us:-
