

Introduction to Christianity

What do you think of the Christian faith? A load of poppycock?
An organisation lead by a group of deluded fools or band
of charlatans? There might be something in it, but I
haven't had time to investigate? It was OK in the
past because we didn't know any better, but now
we have science (which proves it's wrong)? I don't
really know and don't really care? I don't really know,
but I'd be interested to find out?

St Luke's Church in Stoke Hammond is planning to run an
introduction to Christianity course on

Tuesdays from 9th January to 13th February 2024

from 6pm at Stoke Hammond Community Centre

**Supper will be provided, so please let us know you're coming
for catering purposes
(and particularly if you have special dietary needs)**

We would like to invite you to come along and find out more. All you need
to do is bring an open mind (and a friend if you want to!) We will answer any
questions you have!

The 6 week course will include the following themes:

Week 1: Introduction - God is there and he matters

Week 2: We need God in our lives

Week 3: Jesus: his ministry and death

Week 4: The Resurrection of Jesus

Week 5: The Holy Spirit

Week 6: Becoming a Christian

Each session will last about 2 hours, including a
hot meal to start with and an opportunity to chat
with others on the course (special diets can be
catered for). If you think you might be interested,
please speak to a church member.
